

SAF STUDENT ROD BUILDING KITS:

Mud Hole Custom Tackle is pleased to be a sponsor of the SAF. We have put together a selection of rod building kits as well as all the tools and instructions to help any student angler succeed at building a custom fishing rod.

Casting Rods:

This kit comes with an EVA Split grip handle with a Fuji Reel Seat, American Tackle Guides, hook keeper and one spool of Color Fast Nylon rod wrapping thread and one spool of Metallic thread.

\$45

All proceeds go directly to support TBF Youth and Conservation Programs.

Instructor Builders Kit:

Enough to do minimum of 10 kits.

This kit includes everything an instructor would need to successfully conduct a rod building class. The instructors kit includes a tool pack equipped with, scissors, razor blades, and thread pick. Also included is two packs of mixing cups with stir sticks, ten thread burnishing tools, two white china markers, three sizes of masking tape (1/2", 1/4" and 1/8"), two bundles of finishing brushes, ProKote Finish, ProPaste epoxy, and tip top adhesive stick.

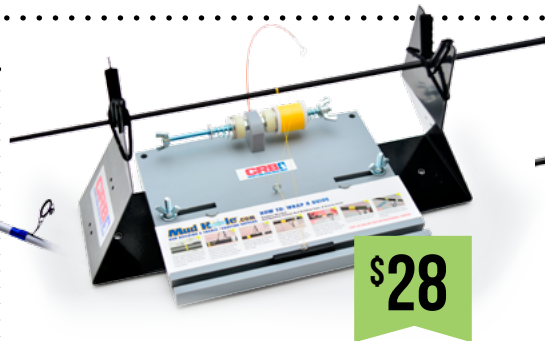

\$52

\$25

Rod Dryer System:

The new RDS units offers Rod Builders a durable, easy to use drying unit that is perfect for the novice and professional alike. Plus, it has a price point unheard of in the industry without sacrificing functionality. Each unit feathers either a 9 or 18 RPM drying motor with 6' cord, form-fitting chuck and a dryer support stand.

\$28

CRB Hand Wrapping System:

This HWS-1 hand wrapping unit features a dual spool tensioner and a tension rod which allows for easy reversing while building. Thread then runs to the slider, which can move seamlessly along the 10" wrapping base. Also, features adjustable stands mounted to the base along with a third stand for supporting the butt or tip. Finally, the HWS-1 incorporates interchangeable step by step instruction cards displaying a range of basic wrapping and advanced decorative techniques.

\$5

eZ Hand Wrapper:

A rod wrapper and instructional tool all in one. Finally an affordable, easy to use hand wrapper that is loaded with educational information designed from the ground up for the beginning rod builder. The eZ Builder Hand Wrapper is simpler to set up and use. A great tool for teaching rod building in schools, scouts and clubs.

John Cox

"Thanks to Mud Hole, I have learned to build all of the rods that I now use in on the FLW tour!"

John Cox

2011 Red River Champion & 2010 FLW Eastern Division Angler of the Year.
